Team Breakdown by Class Rank

Adjusted Game Score or AGS is a custom metric, aggregating publicly available and standardized scoring, shot, faceoff, plus/minus, blocked shot, and penalty data into a unified value representing a player's single-game impact.

The metric was created by in 2023 by J.B. Smith and is a work in progress. The formula below is version 0.2

[Adjusted Game Score]		= [SCORING]			SHORTHANDED + CLOSE GAME + OTHER 5 on 5		
		Goals	0.97125	0.8325	0.555		
		Assist 1	0.79625	0.6825	0.455		
		Assist 2	0.62125	0.5325	0.355		
		CLOSE GAME + OTHER 5 on 5					
+ [SHOTS]		On Net	0.15	0.10			
		Missed Net	0.10	0.08			
		Blocked	0.08	0.05			
+ [FACEOFFS]		FO Win	0.075				
		FO Loss	-0.075				
+ [DEFENSE]		Plus / Minus	0.2				
		Defensive Blocked Shots	0.1				
		BASE	*	NCAA PP%			
- [PENALTIES]		Minor (2 min)	1	~ 0.25			
		Major (5 min)	2.5	~ 0.25			

CLOSE GAME is defined by College Hockey News as within 1 goal (up 1, down 1, or tied) in the 1st and 2nd period OR a tied even strength game in the 3rd period.

All data necessary to calculate AGS is available from CHN Box Scores and Advanced Metrics.

History of the Great Lakes Invitational

The Great Lakes Invitational 57th annual tournament will be staged on December 28-29 for the second time at Van Andel Arena in Grand Rapids, with Alaska and Ferris State joining Michigan Tech, and Michigan State.

The tournament was born out of a conversation between then-general manager of Olympia Stadium Lincoln Cavalieri, Michigan Tech's legendary coach John J. MacInnes, and Detroit Red Wings scout Jack Paterson. The three men were discussing the lack of American-born players in the National Hockey League and concluded that a prestigious collegiate tournament could make a difference by promoting interest in hockey among young athletes in the general public. American Airlines vice president Jack Tompkins, a former University of Michigan goalie and member of the Detroit Red Wings organization, championed their vision as well, and together in 1965 they founded the Great Lakes Invitational hockey tournament.

The GLI has grown into one of the premier college and holiday sporting events in the country, originating at Detroit's Olympia Stadium. Michigan Tech, the host for the tournament since its inception, added Michigan as a co-host in 1976 and moved into the Joe Louis Arena in 1979 and Little Caesars Arena in 2018. A tournament wasn't held in 2020 due to the COVID-19 pandemic and the 2021 event was a showcase with Michigan Tech playing at Michigan and Michigan State. The Spartans also hosted Western Michigan. The 2022 tournament didn't include Michigan for the first time since 1973 and moved west to Van Andel Arena in Grand Rapids where Western Michigan took home its fourth title. Alaska will make its debut at the 2023 tournament.

The GLI field is set for the next four years with Northern Michigan and Western Michigan competing in 2024, Miami and Ferris State in 2025, and Western Michigan and Notre Dame in 2026. As for attendance, the GLI is unmatched among college hockey holiday tournaments. In 1999, the GLI went over the one-million mark in total attendance.

MATCHUP

SPARTY

BORN: 1955

HOME: Munn Ice Arena

The first mascot appeared in 1955 and was a papier-mâché Spartan head made by Theta Xi fraternity. By the 1956 Rose Bowl Game, the papier-mâché head had been replaced by a fiberglass version that was thirty pounds lighter. Early in 1989, a group came together to design and revamp the Sparty mascot. The result was an "approachable, fierce yet kind, man for all seasons" mascot.

99

BRUTUS

BORN: 1931

DEN: Ewigleben Ice Arena

The term "Ferris Bulldogs" came from a column of Jap Williams' in the February 1931 Big Rapids Pioneer. While previewing a basketball matchup he referred to "Ferris' immovable Bulldogs." He went on: "...it is discovered that the name (Bulldogs) has been applied to them because of demonstrated ability to hang on to their men and never let go..."
